PASTOR'S CORNER

DR. WALLACE MCABEE, SENIOR PASTOR

Pastor Says ...

Can you believe the new kitchen, the new carpet and the rooms! WOW, thanks to your generosity and the hand of the Lord, we are enjoying our gatherings and classes in new-like space. The fund rising and the giving have been impressive – Thank You!

I did have a suggestion – now that we have the space, the incredible kitchen and all the trimmings – come and help us enjoy them. Our church family has made a substantial commitment toward many more years of fruitful ministry with a more traditional model. Now that you have done so much, come and join us! Wednesday night meals are wonderful; the gathering of our family is glorious with priceless time spent together. Now all we need is you – sign up and come on. Our youth and children's ministries are world class and the Adult Prayer time is moving as well. The choir still has room for you too! Let's reconnect to each other and make our Wednesday evening ministries the highlight of your week.

November is a favorite around here. All the traditions of the Holidays come to life before our eyes as the weather cools, the leaves change and fall and we gather to worship, serve, grow and make a difference in our community. Please plan on two Stewardship Sundays this month before Thanksgiving. Our focus will be on our ministries and missions supported by your gifts to our unrestricted budget. I know I can count on your support and generous giving for our common causes before the Lord. By the time I see most of you again; Nancy and I will be fresh back from our Canadian wedding for our middle son. Thanks to you all for your love, support and every act of kindness in the name of our Lord and Savior Jesus Christ!

Music Notes

*“Rejoice always, pray continually, give thanks in all circumstances;
for this is God’s will for you in Christ Jesus.”*

Finally, it feels like fall! And now Thanksgiving is right around the corner! Pumpkin pie, football, family—we are so blessed.

Jill and I take our dog, Lacey, for a walk every morning. We go into the woods and walk around the pond below my parents’ house. Sometimes, we visit a creek that my brothers and I played in when I was a child. Lacey chases squirrels, and Jill and I talk and laugh together as we try to catch falling leaves. We cherish the time together and try to always appreciate the beauty of the seasons.

“For the Beauty of the Earth” is a hymn written by Follitt Sanford Pierpoint—yes, that’s his name—a teacher from England who was inspired to write the words while on a walk in the countryside. The entire hymn is a list of all the things in God’s creation that Pierpoint found to be grateful for. Here’s just one verse:

For the wonder of each hour; of the day and of the night.

Hill and vale and tree and flower; Sun and moon and stars of night.

Christ, our God, to Thee we raise this, our hymn of grateful praise.

The Bible has many verses telling us to be grateful to God. Why does He have to remind us? Is it because the more we have, the less thankful we seem?

Ralph Waldo Emerson said that if the stars appeared in the night sky only once in a thousand years, it would be a magnificent event. But because they’re present every night, we forget just how wonderful they are.

Jill and I are also thankful for our church family. Thank you for your encouragement and your friendship. We are so grateful to be a part of Sharpsburg Baptist Church!

We wish for you a wonderful Thanksgiving and all the blessings of this beautiful time of year!

Keep Singing!
Mike

Adults on Mission

November News

*"A basic definition of a missionary is a person who is sent. So technically, all believers are missionaries."**

New ministry opportunities have come our way, and we invite YOU, A BELIEVER, to be a missionary as we share the gospel via Southern Baptist missionaries who serve with our International Mission Board. For their safety, we cannot print their names or where they serve. The craft group will be making tea towels to be presented to ladies as they become graduates of a baking class. Yes, grown women now will be able to bake for their families. Another opportunity we have is to make crocheted hats for newborn and preemie babies. **IF YOU CAN CROCHET, AND ARE WILLING TO MAKE SOME HATS**, please let us know. Remember, every item we make is labeled with scripture. This is your opportunity to share the gospel through our handmade creations.

"Hear our prayers today, Lord. We seek direction, courage, and compassion as we present You to our personal missions field."

Have a Happy and Blessed Thanksgiving!

Remember, we are always accepting used ink cartridges. We take those to Office Depot to recycle and they in turn give the church a 20% discount on office supplies.

Also, we would love to have your used greeting cards also. We use those in some of our handmade items. There is a box in front of the church office where you can leave the ink cartridges and greeting cards.

Olive Branch

November News

The Chick-N-Q report was wonderful news. A grateful THANK YOU to all our families, our church members, and those outside in our community who supported this important fund raiser. All of our members worked so hard inside our new, functional, and beautiful kitchen, as well as outside by the road waving folks down to come eat some chicken!! We had a profitable day, and a decision was made to give \$2,000 of that profit towards our building fund, which is now becoming a mortgage, so it all helps to pay the loan down now!!

We are still shopping defibrillator prices so the Olive Branch can purchase one for our church family, and will have, should that emergency need ever arise.

Olive Branch members will be decorating our church in November. If we call on you to help, please say YES! We are planning to paint newly purchased ornaments at our November meeting. We are planning a small fundraiser that we had fun doing last year and that is the CHRISTMAS BAKE SALE.... more to follow on that.

Join us at our next meeting:

Thursday, November 14 at 6:00pm.

****If you don't drive at night, any of our members who do will be HAPPY to come get you and take you home afterwards! ASK US!

"Outreach involves extending ourselves, our talents, and our resources, to help others."

Grow Our Future Committee Summary

Great vision, great plans, great expectations, great support, great pains,
then GREAT GAINS.....

Just this past Sunday morning, a woman no one knew walked into one of the new SS classrooms and said, "I'm sorry I'm late, but may I join you?" We want many to come through our doors so we can witness to them. We are just beginning to see what our money and effort and time will do for so many In His Name.

The kitchen is functioning beautifully and doesn't it make you so happy when you look at it and consider its potential in our future....more dinners, more men's breakfasts, bigger VBS, and other outreach opportunities abound. Our new chairs are so awesome!

We, as the Marketing/Building Fund Committee thank you all for your prayers, your ideas, your participation, your time, and your funding.

God has led us this far. We must continue to listen and plan for GROWING OUR FUTURE!
